WARRANT

THE STATE OF NEW HAMPSHIRE THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 6:00 P.M.

To the Inhabitants of the Town of Clarksville in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Clarksville on Tuesday, the 2nd day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will authorize the Selectmen to hire such sums of money as may be necessary to defray town charges for the ensuing year.
4. To see what sum of money the Town will raise for the Beecher Falls Volunteer Fire Department to assist in rebuilding after their fire.
5. To bring in your ballots on the following articles:

Art. 1 To see if the Town will vote to appropriate two thousand nine hundred dollars (\$2,900.00) and authorize the withdrawal of four thousand four hundred dollars (\$4,400.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act. of 1972, to be matched by the State on a three to one basis, making the State's share twenty-one thousand nine hundred dollars (\$21,900.00), an estimate to complete construction on the West Road. Any unexpended balance will revert back to the town on the same three to one basis. By ballot.

CONCORD, N.H. 03301**

February 12, 1976

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Town Office
Clarksville, N.H. 03592

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Clarksville for the fiscal year ended Dec. 31, 1974. This examination was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed reports must be given to the Town Clerk for retention as part of the Town's permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets—As of Dec. 31, 1973 and Dec. 31, 1974: (Exhibit A-1)

Comparative balance sheets which disclose the financial condition of the General Fund as of Dec. 31, 1973, and Dec. 31, 1974, are presented in Exhibit A-1. As indicated therein, the Current Surplus of the Town increased by \$2,304.00 in 1974, from \$7,531.00 to \$9,835.00.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the change in current financial condition of the Town during the year is made in Exhibit A-2, with the factor which caused the change indicated therein. This was as follows:

Increase in Current Surplus:	
Net Budget Surplus	\$2,304.00

Comparative Statements of Appropriations and Expenditures— Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended Dec. 31, 1974, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a revenue surplus of \$2,399.00, less a net overdraft of appropriations of \$95.00, resulted in a net budget surplus of \$2,304.00.

Long-Term Indebtedness:

Balance Sheet - As of Dec. 31, 1974: (Exhibit A-5)

A balance sheet of the long-term indebtedness of the Town as of Dec. 31, 1974, is shown in Exhibit A-5. During the year, a long-term note was issued in the amount of \$2,450.00.

TREASURER

General Fund:

Summary Statement of Receipts and Expenditures:
(Exhibit B-1)

A summary statement of general fund receipts and expenditures for the fiscal year ended Dec. 31, 1974, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1.

Revenue Sharing Fund:

Statement of Revenue, Expenditures and Fund Balance:
(Exhibit B-2)

The fiscal activity in the Revenue Sharing Fund account during the year is disclosed in Exhibit B-2.

As stated therein, the sum of \$400.00 remains encumbered at Dec. 31, 1974. Unencumbered and unappropriated funds amount to \$4,543.00 at that date.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the

auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town of Clarksville. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Clarksville for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante

Director

Municipal Services Division

Certificate of Audit:

This is to certify that we have examined and audited the accounts and records of the Town of Clarksville for the fiscal year ended December 31, 1974.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Clarksville at Dec. 31, 1974, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,
Frederick E. Laplante
Director
Municipal Services Division

LETTER OF TRANSMITTAL

Board of Selectmen
Town Office
Clarksville, N.H. 03592

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of Lenora G. Hurlbert, Tax Collector of the Town of Clarksville, which was made by this Division under the provisions of RSA 41:36. The examination covered the period from January 1, 1975 to March 4, 1975.

One of the audit reports must be given to the Town Clerk for retention as part of the permanent Town records.

AUDIT PROCEDURE

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

Very truly yours,
Frederick E. Laplante
Director
Municipal Services Division

REPORT TO TOWNS

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every 3 years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city, during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 A.M. and 5 P.M., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements tactics, making hand tool suppression equipment available at 50% of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to 50% of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

SUPERINTENDENT'S REPORT

In this, the bicentennial year of our nation, we commemorate our progress as a young nation. Education has always played a significant role in the development of our country and in particular, the concept of public education. Although now coming under much criticism as to public dollars spent and results achieved, it should be noted that public education now provides additional programs and education in areas that traditionally were provided by the parent, the local community, religious and/or social organizations. Designed to improve upon the broad category of health, safety and welfare of our youngsters, a public school curriculum may now be comprised of drug and alcohol education, sex and health education, physical education, driver safety education, bi-lingual education, food and nutrition, dental care, bicycle safety, basic psychology, vocational education, career education, special education, etc. This is a far cry from the traditional reading, writing and arithmetic found in the early schools of our nation.

Recent statistical surveys and data, however, appear to indicate that in the process of trying to provide all things for all people a substantial number of pupils in schools are not mastering the necessary basic skills in language arts or mathematics or developing acceptable attitudes towards learning. Perhaps the time has come which will show that schools and public education alone cannot correct all social problems and ills that it has been charged to correct, nor will mandates by outside agencies assure that these problems will be corrected. Until local communities and parents are again prepared to accept and maintain some of that responsibility, there now exists the danger that the right to that responsibility may soon be lost.

Of concern to all, should be the recent trend by other agencies in overriding that responsibility. Compliance mandates by governmental agencies and the courts have in many instances taken away the decision making policy of states and local communities, as well as their opportunity and right to provide for recommended changes under a due, timely, and orderly process. The results in some cases have meant an additional financial burden that local communities could ill afford. Failure to comply with such mandates however, could well mean further loss of local control.

The continued eroding of local responsibilities and the local educational process along with additional future demands and mandates for compliance set by outside agencies may well result in a financial burden that local communities are incapable of

assuming and terminating with the control and policy making responsibility resting completely with outside agencies. Individuals at all levels of local government must exercise their right under our democratic process and make their feelings known, if further loss of local control is to be prevented.

Shouldering the responsibility of our local public education is the taxpayer. Although exercising prudent caution in developing local school district budgets, school boards and budget committees unfortunately have been faced with uncontrollable, increased costs in areas which are essential in the running of schools. Their efforts in presenting acceptable budgets to you, the voter and taxpayer, and still meeting their responsibility in assuring that quality education is being maintained is to be commended.

Thanks are extended to those citizens who have voluntarily contributed their time and labor in our local school districts on various projects and committees. Their efforts are extremely appreciated and in many instances, have saved school districts considerable amounts of money.

Respectfully submitted,
STEPHEN E. DEHL
Superintendent of Schools

GUIDANCE COUNSELOR'S REPORT

January 31, 1975—January 31, 1976

While the basic functions of a Guidance Counselor do not vary a great deal from year to year, attempts are made each year to improve parts of the Guidance Program both quantitatively and qualitatively without sacrificing other parts. What has been done in this direction during this past year?

1. For the first time since I became Guidance Counselor all students in the Supervisory Union, grades 1-7, were administered achievement tests. The results of these tests provide valuable information to administrators and teachers in their work with students and parents. The results are available in each school district to anyone concerned.

2. In May, I customarily hold conferences with each eighth grade student for the purpose of planning the courses of study which he/she will pursue in high school. Last year in Colebrook, parents were invited to these conferences. The participation was excellent and the results valuable so that I plan to follow this procedure throughout the Supervisory Union this spring.

3. In conjunction with Mr. Paul Terry, Guidance Counselor of Canaan High School, and Mrs. Pearl Porter of the Colebrook Academy faculty, I helped complete a Job Survey of the entire area from Pittsburg through Groveton. The employment information gained from this survey is valuable for placement, for planning Cooperative Education Programs and for use by the State of N.H. as it considers further implementation of Colebrook Academy as a Vocational Education Center for the area.

4. A follow-up survey of the 1972-75 graduates of Colebrook Academy and Pittsburg High School was completed. All graduates were contacted, either directly or indirectly, as to employment, education, domestic status, etc. since leaving high school. The survey is one means of evaluating the Guidance Program. The results will also be useful in placement of future graduates.

5. Our collection of career information material was enlarged and updated virtually without cost to the Supervisory Union by contacting over 300 sources of free materials. Much of this material, by necessity of space, is exposed in the Guidance Office at Colebrook Academy but used as needed in my work with Stewartstown and Pittsburg students.

6. Another first this year was use of the California Occupational Preference Survey with all sophomores. This is an instrument designed to compare relative strengths of a person's interests in various occupational groupings. The survey encourages a student to think about his future and it reduced the confusion usually present when one is trying to narrow fifty thousand possible jobs down to an eventual career choice. After completion of this survey, each student was given occupational material covering his three highest interest areas.

7. This fall for the first time I held a meeting for parents concerning financial aid. The meeting was well attended and, hopefully, it helped to alleviate much of the misunderstanding and confusion in regard to this all important subject.

8. Just prior to Christmas vacation we received a state grant of \$500.00 for Career Education in the Colebrook seventh and eighth grades during the second semester. The materials which we were able to purchase under this grant will enable us to provide a good, basic career development program for seventh and eighth graders for the first time.

9. Under state law, school districts are required to form school placement committees to deal with any change in a student's school status. As Guidance Counselor, I am on three of these committees in the three towns.

10. A sizeable amount of time and energy was allotted to working with past graduates of both Pittsburg High School and Colebrook Academy who, after 1-10 years in the work world, decided to seek further education. Procedures for finding a college, for gaining admission to college, and obtaining financial aid seemed to be the basic problems.

All in all, the year has been a full one for the above improvements have been instituted and added to the regular guidance work done with over 1,000 students in Supervisory Union #7.

Respectfully submitted,
JOHN M. SHIELDS
Guidance Counselor

SCHOOL HEALTH REPORT

The health programs in the Stewartstown and Pittsburg Schools are planned to maintain the highest of health standards. A child who is below par physically is not able to benefit from the educational opportunities available to him. Our success is dependent upon the cooperation of the home with the school and requires the active interest of all parents. Dr. William Gifford and Dr. Marjorie Parsons again provided their professional medical advice and care for all our students.

Each year the following services are performed:

1. Checking heights, weights, and teeth.
2. Testing hearing and vision.
3. Physical examinations for those participating in athletics as well as students in grades 4, 8, and 11.
4. T.B. skin tests as needed for students and all personnel.
5. Immunizations as needed.
6. Urine tests for students in grades 4, 8, and 11.
7. Home visits.
8. Phone calls and letter contacts for follow through health care as deemed necessary.
9. Promotion of good mental health.
10. First aid and emergency care.
11. Health teaching and counseling as well as continuous supervision of general health and well being.

This year we also plan a Scoliosis screening clinic.

The Matching Dental Program sponsored by the State of N.H. and the local towns was utilized this year providing much needed dental care to many needy students.

A cancer film will be presented to junior and senior girls and their mothers in March and Dr. Marjorie Parsons available to answer any questions that might arise.

A pre-school hearing and vision clinic will be sponsored in May by the N.H. Division of Public Health for early detection of any defects, and the Sight Conservation Program presented by the State of N.H. is still being used by those needing their services.

The Portsmouth Rehabilitation Center is available to our area by mobile unit for evaluations of students failing hearing tests.

Crippled Children's Service has provided orthopedic examinations and clinic treatments.

This year the N.H. Bureau of Dental Health has presented the dental prevention program to 4th graders, with daily brushing and flossing of teeth and weekly food coloring tablets used to detect plaque under the supervision of classroom teachers. In Pittsburg, the 5th and 6th graders are continuing the brushing and flossing program daily. The objective of this program is to eliminate dental plaque and help the student develop daily habits necessary for effective oral hygiene and thereby reduce dental diseases.

A nutrition course by the University of N.H. Extension Program was given to all students in the area this past year.

North Country Education Services again provided speech therapy for all students in the union requiring help, and the Upper Connecticut Valley Mental Health Services provided their professional services for students requiring their help.

A reminder to all parents of children entering the first grade is in order. The State Department of Education requires each youngster to meet the following requirements prior to school entry:

1. Physical examination.
2. T.B. test within one year.
3. Complete diptheria, pertussis and tetanus vaccine series (5 in all).
4. Complete oral polio vaccine series (5 in all).
5. Rubella vaccine (german measles).
6. Rubeola vaccine (measles).

All parents are urged to take advantage of the pre-school clinics available in their area to prepare their youngsters for meeting the above requirements for entering school. If your child does not meet the requirements, he will be omitted from school until the necessary preparations are fulfilled.

Every year everyone involved in our schools strive to improve the health program for all students. With everyone working together, I hope this will be achieved.
